

**California Community Colleges have long produced some of the most outstanding track & field athletes in the nation. Now you can read all about their rich history as Hall of Fame Coach Larry Knuth presents "California Community College Track & Field Hall of Champions"**

**This book is packed with 463 photo-rich pages of seminal research profiling over 100 Olympians, event chapters, women's and men's world championship competitors, pre-state meet history, great assistant coach profiles, noteworthy teams, historical trivia and much much more!!!**

## **What are They Saying About the "Hall of Champions?"**

**"All I can say is WOW! What a great contribution to Track & Field in general and a great tribute to our California Community College Track & Field athletes. I will spend hours of enjoyment going through this as will many."**

**Bob Rush - Hall of Fame Coach, inventor of the Chronomix Timer**

"What an incredible piece of work. This will document the incredible achievements of our California Community College track & field athletes."

**Al Baeta -Hall of Fame Coach, 1996 USA Men's Olympic Team Manager**

"You have done a great job as always."

**Tom Tellez - two time USA Olympic Assistant Coach, Head Coach University of Houston, Coach of Carl Lewis, former Head Coach at Fullerton College**
